Yes, I have heard a few things about Apple Cider Vinegar, yet I wanted to find a book that would explain more of the uses for this especially in areas of health. This book I have found to be superb because it explains how to use Apple Cider Vinegar at home, wonderful recipes with it, and best of all, the MANY CURES:+ Aids in skin care including acne, keeping skin younger looking and glowing.+ Aids in treating Acid Reflux - I sometimes get this so I found this so helpful!+ Aids in treating allergies+ Good for using as hair wash - there is a great recipe for using this with shampoo etc for shiner hair.+ Many more healing tips for other health things as: Diabetes, and so much

more. Totally recommend this super book!

A primer in health and nutrition. I took it at face value and tried vinegar twice a day with honey. Not bad, great results in cramps and weight control. Thanks for the reminder.

Great book especially for those who are interested in natural remedies. I have been using Apple cider vinegar for some things already that were suggested in the book, which further peaked my interest. Highly recommended

Not very informative.
