Synopsis

â€¦â€¦â€¦ TOP 100 Bestseller! â€¦â€¦â€¦ Best Menage Romance Author Nominee ~Mary's Menages Blog â€¦â€¦â€¦ Evie has made a deal with the devil. She has a safe-word. She has a way out. But her submission to him is her only way in... Billionaire Ford Hawthorne is cool sexuality and dominance, his best friend, biker Charley Baker, is warm muscles and affection, and Evie is the lucky girl in the middle. Evie is shocked when she's forced to agree to the bad-boy billionaire, Ford Hawthorne's, unthinkable deal: belong to him for a year, body and soul, completely. Anything he wants, anytime he wants it...even sharing her "services" with his best friend, Charley. Damaged and reclusive, Ford has been yearning to act on his fantasies of domination and control. He wants every carnal thing Evie can give him, but refuses to open his heart to love...even if that refusal will destroy them all. Evie is running from a dangerous man who used her and blackmailed her. She seeks refuge at Ford's estate, but that refuge comes at a price. Is she strong enough to endure the forbidden things he craves? But Evie soon learns there's no safe-word to stop the pain this gorgeous, enigmatic man causes her heart and sweet Charley's. Ford's best friend, biker Charley Baker, completes their unlikely trio, but Charley wants more than Ford has been willing to give him until now. As the situation escalates out of control, Ford, Charley and Evie experience the twists and turns of a sexual journey that none of them saw coming. A journey that knows no boundsâ€”in ecstasy, in heartbreak and in love. This novel is a full-length, standalone, dark romance with an HEA and no cliffhangers. NOTE: The book contains lots of hot, satisfying sex between two mouth-watering heroes and a heroine strong enough to handle them both.

Customer Reviews

I enjoy reading BDSM and Menage storylines. Usually, you'll find the dominant with 2 subs. It was clear, from the start that Ford was going to be dominant but, unfortunately, I was a little confused with Come When Called and wouldn't call it true BDSM but a fantasy come to life. I would call Ford a spoiled brat that got what he wanted, when he wanted, how he wanted and from who he wanted with no heart. Evie wanted to be independent and make her own way but Ford made her an offer that she thought would keep her safe and make the money she needs to give her the total independence that she craves. Charley was my favorite. He came off as aloof and jealous and turned out to be the catalyst that brought everyone together. The sex, when all three were together, was scorching but, alone, it was for Ford's pleasure and turn-ons. The storyline had a lot of wonderful possibilities but fell a little short, for me. I am not saying that it wasn't an enjoyable story but it actually left me wanting in several areas. First and foremost was the BDSM aspect. It seemed to be more of a Catch-22 - there was no negotiating for the sex or punishment - when he wanted, how he wanted, with who he wanted and, if she didn't do as told, she would be punished. That is, in no way, BDSM. Second was his treatment of both Evie and Charley knowing, deep down, how both of them felt about him. Third was Evie's ex-boyfriend and his role in the story. I felt like he was thrown in for shock purposes and had no real reason to be showing up when he did. Granted, he was the reason she was insecure in her life but he could have been taken care of early in the storyline. The things he did just didn't fit in with the story and felt that he showed up when he did as an afterthought.
