Life Span Development: A Topical Approach (3rd Edition)

Synopsis

A brief, topical overview of life span development Life Span Development: A Topical Approach helps students to see the “big picture” of development across the entire life span. Throughout this brief version of his hallmark text Development Across the Life Span, author Robert Feldman employs a modular framework that offers instructors maximum flexibility to teach the course however they envision. Concise coverage of all key principles helps instructors cover the whole of the field within a standard term, while a topical approach makes it easier for students to understand the scope of development within particular areas (such as social or personality development) across the entire life span. Thoroughly updated with the latest data and contemporary examples, the Third Edition helps students to better see the relevance of developmental science. Also available with MyPsychLab® This title is also available with MyPsychLab – an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Students, if interested in purchasing this title with MyPsychLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. Life Span Development: A Topical Approach, Third Edition is also available via REVEL™, an interactive learning environment that enables students to read, practice, and study in one continuous experience. Note: You are purchasing a standalone product; MyLab™ & Mastering™ does not come packaged with this content. Students, if interested in purchasing this title with MyLab & Mastering, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and MyLab & Mastering, search for: 0134495950 / 9780134495958 Life Span Development: A Topical Approach plus MyPsychLab with eText – Access Card Package, 3/e Package consists of: 0134225902 / 9780134225906 Life Span Development: A Topical Approach, 3/e 0205206514 / 9780205206513 MyPsychLab with eText Access Card
